

## UFO sighting in Denizkoy Village Akbuk

They were about 500 metres off the ground and there was no sound. They were heading towards Akbuk. Yildiz later spotted two more of the lights in the sky, describing how one "Shot up into the sky until you couldn't see it anymore and has been disappeared on the Akbuk Sahte Cennet area."

Didim Today want to know if anybody has a picture of video of because has been reported before and we didnt receive any pictures of UFO on Akbuk area. Yildiz added that he will watch and monitor same area for long time to get a picture or a video shoot because same UFO has been spotted in Mavisehir Didim area before that we believe.

Unidentified flying objects UFO were seen on April at about 5 am in Denizkoy area before, near Akbuk on Bodrum Altinkum Highways. The UFOs, which were seen by several villagers, appeared frequently in the sky. Yildiz watched the UFOs until 5.10 am and claimed that they had never seen anything quite like it before in sky.

Have you got a story to tell us? We'd love to hear about it, so send it to us here. Use the Contact Us section to tell us your story, along with a brief headline. You can also add a photo as well if you want. We may then use your story here or in any Didim Today Partner pages. Please make sure you include a working email address and a contact phone number in case we have any questions.
